Meeting date: 30.07.2024

**Explanation:**

The offer from world of textiles (hereinafter referred to as wot) is the most favourable offer.

However, as shipping is not yet included in the offer, the requested amount is generously rounded up to €4,000.00.

wot uses well-known quality seals and is the most favourable provider. In a telephone conversation, it also emerged that the price could still fall, as the motif has not yet been finalised.
