Financial guideline §7 Catering (3) The StuPa Presidium may finance non-alcoholic drinks and snacks up to a maximum amount of 100 euros per parliamentary session via the student body..	Financial guideline §7 Catering (3) The StuPa Presidium may finance non-alcoholic drinks and snacks up to a maximum amount of 150 euros per parliamentary session via the student body..

Justification: The maximum amount of 100 euros is currently no longer sufficient to finance enough pizza for all members of parliament. This is partly due to inflation-related price increases. We consider the provision of pizza to be important for the StuPa meetings for reasons of attractiveness and do not want to have to do without it in the future.

Proposed resolution: “The student parliament adopts the financial guideline with the listed amendment to increase the maximum catering amount.”
